XYTRONIC®

459

160004

Tip Cleaner (Without Stand)

- No water necessary!
- Made of low abrasive brass shavings.
- No temperature drop as in conventional sponges.
- Cleans better than conventional sponges.
- Suggest to use with tip scrubber stand.

BENEFITS:

The XYTRONIC 459 Tip Cleaner can be used with all standard soldering irons (200 series from Xytronic) and stations.

Be sure to remove excess solder from the tip by thrusting the tip into the 459 Tip Cleaner rather than wiping to avoid unwanted splattering due to the spring like action of the scrubber.

- Won't damage your soldering tips
- No messy wet sponges to dispose of.
- Faster working cycle.
- Cleaner tip has better heat transfer.
